

Program Highlights

-Goodwill of the Southern Alleghenies was ranked 7th among 158 US-based Goodwill affiliates in persons served per 100K population. Through our direct service outreach and partnerships, we are able to leverage resources in order to provide job placement and related services.

-Goodwill is a leader in service-delivery innovation: Serving more people in more places in better ways. Through strategic relocation of the Blair County CareerLink® centers and providing services through virtual platforms, Goodwill and its partners have put “CareerLink® in Your Community.”

-Goodwill was the first regional site to offer the Northstar Digital Literacy Assessment. Clients and staff can gain a portable micro-credential that has been recognized by regional employers. It is now available at all regional CareerLink® centers.

-Goodwill was awarded a \$250K adult literacy contract for Cambria County. We now provide free high school equivalency classes in four locations: Moxham, Downtown Johnstown, Ebensburg, and the Cambria County Prison.

-Goodwill opened a new retail store in Tyrone, Pennsylvania. This 3,000 square-foot store is able to serve the residents of Tyrone and northern Blair County.
